Earlier today the two Democratic Commissioners of the State Board of Elections passed a resolution which, under 2-122(a) of NYS Election Law, determined that ten candidates (and any National Delegates pledged to such candidates) should be removed from the Presidential Primary ballot. The attached certification reflects these changes.

As a result of this determination, there is only one candidate remaining on the Presidential Primary certification, Joseph R. Biden. As he is now uncontested, there is no longer a need for the holding of a Democratic Presidential Primary election on June 23, 2020.

Please contact us should you have any questions.
